A documentary film is a nonfictional motion picture intended to document some aspect of reality, primarily for the purposes of instruction, education. We can help you in conceptualizing, shoot & post production.

DOCUMENTARY

Our team of Cinemahata Production Banner, had a wonderful experience with Professor Dr. Sanjay Gupta of Kaashi Hindu University (President, All India Psychiatric Society), known as Khushhali Guru, Who always inspires people to be happy. With them, we had discussed many times in the context of making this inspirational documentary. Then it was decided to shoot in the city of Kaashi, The city of Gods. In any case, shooting and planning are required in every shoot. It was two days shoot time routine along with Kaashi University campus and Assi Ghat.

You can see this inspirational video on YouTube in the name of "Khushaali ki Rah".

After that we have made a video for the Silver Jubilee of the Shelly School, which was very much appreciated by the audience. Another one is for Smt. Lalita Kohli, who is renowned for best teacher awarded in Uttarakhand. Our aim is to meet the criteria of quality, there required both, better planning and better team.
